Dear Chair DeLauro and Ranking Member Granger:

Thank you for your work on the fiscal year 2022 appropriations legislation.

I respectfully request funding for the Boys & Girls Club of the Tennessee Valley Facilities community project. The entity to receive funding for this project is the Boys & Girls of Claiborne County located at 1732 Main St. Tazewell, TN 37879.

The funding would be used to revitalize the old tennis court for use by the Boys & Girls of Claiborne County, including resurfacing the original court, new fencing around the court, new lighting, and adding a handicap accessible ramp, for use by the newly formed Boys & Girls Club of Claiborne County. The court has not been used since 2004 and, if revitalized, would provide outdoor activities for club members in a secure and easily observed space. The request is supported by the Claiborne Economic Partnership, Claiborne County Economic & Community Development Board, and Claiborne County School System.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you again for your consideration of this funding priority for East Tennessee.

Sincerely,

Tim Burchett  
Member of Congress
