Dear Chairman Cole and Ranking Member DeLauro:

Thank you for your work on the fiscal year 2025 appropriations legislation. I respectfully request funding for the following project in Tennessee's second congressional district:

**Project Name:** Maynardville Sidewalk Improvements

**Entity:** City of Maynardville

**Address:** 125 Johnson Road, Maynardville, TN 37807

**Project Description:** The City of Maynardville requests funding to complete the last remaining section of sidewalk improvements on Main Street that will link a local high school to a state route. Two previous efforts connected the high school to a building that houses the Tennessee Department of Human and Children Services; this final effort will provide 21,115 square feet of five-foot-wide concrete sidewalk with 2 sidewalk bridges around box culverts, handrails where necessary, handicap ramps at intersections, and guardrail relocation. Completion of the project will allow residents and visitors to safely access all important establishments in the area.

**Project Justification:** Main Street passes by several businesses and churches, an elementary school, high school, middle school, county library, fire department, courthouse, and county clerks office, a major grocery store, funeral home, and numerous housing developments. The sidewalk project will allow residents and visitors to safely access all important establishments in the area.

**Federal Nexus:** 42 USC 530 5(a)(2)

I certify that neither I nor my immediate family has any financial interest in the above project. Thank you again for your consideration of this request.

Sincerely,

Tim Burchett,  
Member of Congress
